

WOMEN IN A CHANGING WORLD

It is widely recognized today that important changes are taking place regarding our traditional attitudes and values with respect to the role of women in society. These are reflected in a whole spectrum of activities ranging from a resurgence of women's movements to more personal, individual searchings about concepts, roles, alienation and fulfillment.

The New Westminster Y.M.-Y.W.C.A. and Douglas College are co-sponsoring a one-day workshop for women, in an effort to provide discussion and practical information about opportunities for self-fulfillment for women in three areas: Work, Education and Volunteerism. This will be held on Wednesday, April 19th, 1972, from 9:30 am to 2:30 p.m. at the New Westminster "Y", 620 Queen's Ave. The fee is \$1, including coffee. Bring a bag lunch, or lunch is available at the cafeteria. Free baby-sitting will be provided for children aged 3-6 years, who have been pre-registered. (see below)
